PROCEEDINGS OF BOARD OF TRUSTEES

Regular meeting of the Board of Trustees, May 8th. The Board assembled at 8 p. m. All members present. The minutes of the last regular meeting were read and approved.

Adams Street Opening and Widening

The hearing of protests against assessment for the opening and widening of Adams Street was called for. No protestants were present, but the written protest of A. L. and Cynthia L. Smith previously presented to the Board, was taken up and considered. City Manager stated that in conversation with Mr. Smith the latter had expressed himself as in doubt as to whether he would appear before the Board in regard to the matter. On motion of Trustee Woodberry, it was ordered that the assessment for the opening and widening of Adams Street from the north line of First Street to the south line of Oakwood Avenue, be, and is hereby confirmed.

Municipal Telephone

The Chairman called for oral communications. Messrs. E. U. Emery, F. V. Owen and V. M. Hollister appeared before the Board as a committee appointed by the Greater Glendale Development Association to present to the Board the matter of inaugurating proceedings looking toward the acquiring of a municipal telephone system. Mr. Emery spoke for the committee stating the desire of the association that the City procure the services of a competent engineer to investigate the subject and report upon the feasibility of the project, its probable cost, etc. The Chairman stated that the Board had previously employed Mr. Barker as an expert on telephone matters, and that possibly his services might be secured in the present instance. City Attorney expressed the opinion that the Engineer of the Public Service Department, having an expert knowledge of the electrical phase of the subject, would probably be able to give a valuable report, should he make a business of investigating it.

Messrs. Owen and Hollister of the Committee, spoke on the subject, and Trustee Woodberry made a motion,

seconded by Trustee Jackson, which was adopted, to the effect that it is the sense of the Board of Trustees that this body is in entire sympathy with the movement inaugurated by the Greater Glendale Development Association for the establishment under certain conditions of a municipal telephone system; and will take measures as requested to ascertain the information desired.

Light Poles

A communication was read from Kate S. Black and others, calling attention to the fact that the light poles on the east side of Grand View Avenue stand near the center of the parking, and out of line, making it inconvenient to care for the parking properly, and requesting that said poles be set to the edge of the parking and properly lined up. On motion of Trustee Shaw, City Manager was instructed to see that the request of the petitioners be complied with.

Reports were presented from the Health Officer, Treasurer, and Tax Collector.

Memorials

City Clerk reported in reference to the memorial for returned soldiers, prepared by the Board of Trustees, that a number of copies had been signed by the members of the Board and the City Clerk, and are now ready for delivery. He presented the remainder of the certificates to the Trustees for their signatures. On motion of Trustee Shaw, City Clerk was instructed to attend to the delivery of the certificates, by mail or otherwise.

Bakery Licenses

City Clerk made a report on the subject of bakery licenses, which had been referred to him for information to be obtained from other cities on April 17th, 1919. As a result of inquiries made, replies from a number of cities communicated with show that practically the only difference in the matter of licensed sale of bread and bakery products between the cities referred to and Glendale, is in the amount of the license required from dealers in bakery goods not having established businesses in the cities, who retail their products.

Repair East Broadway

City Manager reported that the City of Eagle Rock had agreed to make certain repairs on East Broadway as requested by the Board of Trustees of the City of Glendale.

Bridge at Wash

City Manager further reported that Mr. Johnson, Engineer of the P. E. Railway Company, had stated to him that an estimate of the cost of construction of a bridge at Brand Boulevard and the Wash had been forwarded to General Manager Shoup, in San Francisco, and he had no doubt but that it would receive consideration within a few days.

Broadway Assessment District

City Engineer presented a diagram showing assessment district for the improvement of Broadway from Glendale Avenue to the easterly city limits, showing each separate lot, piece, or parcel of land, and the area of same in square feet of every lot and the relative location of the same; on motion of Trustee Henry, diagram as presented by the City Engineer for the improvement of Broadway was approved.

Pacific Electric Rates

City Attorney reported that in the matter of the proposed increase of rates by the P. E. Railway Company, the matter had been taken up by several cities through their respective attorneys, who had prepared a plan under which it was hoped that all cities would join, for raising funds to employ Engineer and local counsel in an effort to prevent the increase of said rates. He stated that he did not recommend participation by the City of Glendale in contributing for that purpose, but simply presented the matter for such action as the Trustees might wish to take. No action was taken.

Telephone Situation

As to the telephone situation, City Attorney stated that it is now a matter of common knowledge that Glendale is only one of many places protesting against the increase of rates; that the matter was taken up by the U. S. Supreme Court on Monday last, and is being considered by that body, which adjourned until May 19th, next. He further stated that the decision of Judge Landis, of the U. S. District Court in Chicago, was not an opinion as to the right of Director Burleson to increase rates, but was in the form of an injunction, granted by Judge Landis, restraining Postmaster General Burleson from putting increased intrastate telephone rates into effect in Illinois. In the meantime, the injunction granted by Judge Landis restraining Postmaster General Burle-

son from putting increased intrastate telephone rates into effect will be suspended until decision in the telephone case has been reached by the Supreme Court of the United States. Until the decision is announced by the Supreme Court, the filing of new cases would avail nothing, and no restraining order would be granted by any court, and if so granted would be suspended.

A case had been filed by the City of Denver vs. Rocky Mountain Telephone Company, and the City Attorney had communicated with the City Attorney in Denver for information in regard to the same which might be of use in preparing a similar case. On motion of Trustee Shaw, and so adopted, City Attorney was instructed to communicate with California Congressmen and Senators requesting that they give their support to the legislation in Congress, requesting the return of the control of the telephone

company to private owners.

Grand View District

City Attorney reported that in the case brought by Mitchell against the Trustees of the City of Glendale attacking the validity of annexation to the City of Glendale of the Grand View District, had been up before Judge McCormick of the Superior Court of Los Angeles, but had not as yet been decided.

Contract Approved

City Attorney presented the contract between the City of Glendale and the Forest Grove Land Company in reference to matters in Verdugo Canyon; on motion of Trustee Shaw it was ordered that the contract be approved, and the President of the Board of Trustees and the City Clerk be instructed to sign the same.

DRASTIC MEASURES

The Greater Glendale Development Association held a meeting Tuesday night at the intermediate School, and inaugurated a program which, it is calculated, will make the telephone company sorry it broke its franchise agreement with our city.

After considerable discussion, the chair was instructed to appoint a committee to present a request to the telephone company, signed by not less than two-thirds of the subscribers of the Glendale exchange. The chairman appointed as members of this committee Glen Eley, O. M. Clinton, I. A. Ford, Captain D. Ripley Jackson, and G. M. Taylor. This committee withdrew at once and after an absence of half an hour returned with the following report:

"To the Pacific Telephone and Telegraph Co.:

"The subscribers to your telephone system, on the Glendale exchange, whose names are signed to the attached orders, believing that the new local exchange rate and toll charge to Los Angeles are unreasonable and unjustifiable and contrary to the best interests of the business of the city, do hereby request your corporation to eliminate the toll charge between this exchange and Los Angeles and return to the former exchange rate in effect on April 1, 1919.

"If you do not accede to this reasonable request, then remove all telephones as per orders hereto attached."

The order reads as follows:

"Glendale, California.

"To the Pacific Telephone and Telegraph. Co.:

"I hereby order the removal of tel-

The report of the committee was at once adopted and the committee was ordered to put the orders for removal of telephones in circulation immediately.

W. B. Kirk recommended that in case the Pacific Telephone and Telegraph Co. refused to accede to the rights of the subscribers as outlined in the resolution adopted, immediate steps be taken to organize a municipal telephone system. This recommendation was very heartily approved by members of the association, and a committee was appointed to confer with the trustees of the city with a view to employing a competent engineer to report as to the cost of an adequate municipal telephone exchange. Reports from members present gave evidence that a municipal telephone system, conducted without profit, could give excellent service to the patrons at about half the present rental price of phones.

THE 1919 BATHING SUIT PARADE
AT VENICE, SUNDAY, MAY 18

Bigger, better than ever, the Nineteen Nineteen bathing suit parade at Venice has been announced by the beach city event department. Al-

ready hundreds of entries have been received, and the work of placing the different classes has begun. The Jordan Motor Car Company will furnish exclusive body designs for the parade. The different eastern concerns are entering their bathing styles, while the Southland knitting firms and athletic goods houses have prepared some wonderful models.

Cash prizes to the amount of \$250 cash will be given to the best models selected by the board of judges as the best creations. Original entries are earnestly solicited, and in the judging will be considered A-1 ranking for the prizes.

It is expected that there will be at least 250 models. Preparations for the biggest crowd in the history of Venice are expected. The line of march will probably go further down the beach than in past years, so as to

accommodate the overflow. Many of the picture studios are making entries, and several of the screen stars are making up their own creations.

The parade will leave the front of the plunge building at promptly 1:30 p. m. Prizes will be awarded at the band plaza at the conclusion of the parade.

Don't forget the day and date—Sunday, May 18th.

A happy one dozen relatives formed a circle Wednesday evening at the home of Mr. and Mrs. Jesse Chappius, on East Acacia Avenue, in honor of Clarence Duncan, of Memphis, Tennessee, who recently returned from service in France. The evening was mostly spent in listening to the experiences of the guest of honor. At a late hour, dainty refreshments were served by the hostess, assisted by her daughters, Helen, Virginia, and Dorothy.

RED CROSS TO DEMOBILIZE

The Red Cross will demobilize on Wednesday, May 28th. A meeting will be held at eight o'clock in the Branch Library Building, unless present plans change, for the presentation of certificates to workers.

This great organization was a big factor in the world war, and its achievements have been felt by every nation. Its workers constituted all patriotic women, who have remained loyal to the last. The Tropico Red Cross has made a record which they may well be proud of, and its members are to be congratulated on their splendid work.

**DR. HARROWER'S COMMENTS
ANSWERED**

By Wm. J. Schaefer

The Memorial Park article which I wrote is termed a letter by only one Dr. Harrower. He calls me Wilhelm when my name was clearly printed and is William. He made an unimportant omission, since he failed to refer to himself as Heinrich or Heinie when he signs himself Henry.

His slurs and insinuations requiring no interpretation simply indicated his disposition toward all names that do not please his fancy.

Since he considers the tone of my article (in which no names were mentioned) as sounding like my name of which I have reason to be proud and hope Dr. Harrower can say the same of his own name, I was as a tax payer (not politician) grateful for the meager information he gave with reference to the Memorial Park Project.

He informs that two of the nine members of the Memorial Park Committee are NOT property owners; that he wishes ulterior motives shown; that the Memorial would give a LITTLE WORK for a FEW MINUTES to our returning soldiers; that it was not kindly put or well meant to ask the question—"do Glendale Property Owners favor being forced to pay \$200,000 tribute and \$8,000. annual premium; and last if not least right before an election he makes the assertion that it will be answered in the affirmative at the polls.

If such were the case the matter is a closed incident and there would have been no need for such an outburst.

Since no one has been pointed out as a wrong doer as my article that was published in the Tropico Herald of April 26th, clearly indicates, the doctor after an apparent attempt to hurt my feelings as well as indicating his disposition to all tax payers whose names do not suit him in the event they reserve their natural right of expressing their opinion without fear of intimidation where indebtedness concerning themselves is involved, even though he had no choice at his own christening, his statements in defense of the proposed indebtedness were not convincing to me, neither did they indicate sincerity. I still retain the sentiments that were ex-

pressed in the article which I did not feel would please everyone.

It is however interesting to know that the doctor did not join me in urging unusual checking up in the event the majority of voters decided to go into debt for one-fifth of a million dollars for a LUXURY instead of a HELPFUL INDUSTRIAL ENTERPRISE, municipally owned.

At a time when our government needs money our dear friend attempts to camouflage the real issues by a play on names which unpopular practice is not generally appreciated by relatives of soldiers, who have given up all they had. Our great American leaders, fighting air men and soldiers bearing names that did not sound right to this doctor or strike his fancy, possibly would also be inclined to comment that it was unkind to say the least if not extremely rude and insulting.

WE MUST NOT FALTER

The Victory Loan must be made a success. At this time the Americans who stayed at home must not falter in vindicating their trust to the ones who went to France and will not return.

The army at the front did all that was expected of them—there was no hanging back, no lagging, no refusing to fight among those men who offered their lives. They went over the top as if "they were going to a banquet," as General Mangin said, and Death was the toast to which 70,000 of them responded.

The army of stay-at-homes kept loyal pace with them in the service of the country. First and last they went down into their pockets for some \$18,000,000,000 to meet the war expenses, and gave their money to the country in a volume which half a decade ago would have been unbelievable. They proved to them over there that they stood solidly behind them, and to the world that we were in the fight to the finish.

With this record behind us, the Nation dares not fail to give all that the Government asks in the Fifth and last loan.

Get your bond before the Rainy Season—it prevents financial skidding.

THE TROPICO HERALD

AT THE PALACE GRAND

Today's attraction at the Palace Grand is described as one of the biggest and greatest pictures ever presented. Critics have placed it in the same category with "The Birth of a Nation" and "Hearts of the World." It is that wonderful screen drama, "The Heart of Humanity," starring Dorothy Phillips, and with a big cast

"THE HEART OF HUMANITY"
Allen Holubar's Super Production
starring DOROTHY PHILLIPS

of well-known players in the leading roles. This production is showing in all the big cities at advanced prices, but is being shown here at the regular, every-day prices. This is an unusual opportunity. One matinee, at 2:30, two evening shows, at 7:00 and 9:00 o'clock.

Constance Talmadge, the comedienne of many successes, appears tomorrow in her latest brand-new comedy drama, "Romance and Arabella," which deals with the many love affairs of a young widow. On the same program is a Larry Semon comedy, "Traps and Tangles." The matinee begins promptly at 2:30. Evening shows at 7:00 and 9:00.

Monroe Salisbury appears in a great character role on Monday, May 12, in "The Light of Victory." It is the story of one whose near and dear friend had turned traitor to our country, though not altogether by his own fault. It is a beautiful story of love and romance. Matinee at 2:30. Evening shows at 7:15 and 9:00.

William Farnum, whom many consider the screen's greatest actor, will be seen here Tuesday in his latest

brand new picture, "The Man Hunter." He was the star of "Riders of the Purple Sage" and "The Rainbow Trail," and this is his first picture since. On the same program is Harold Lloyd in "I'm on my Way." The matinee begins at 2:30, and evening shows at 7:15 and 9:00 o'clock.

On Wednesday, May 14, the two former outlaws, Al and Frank Jennings who were sentenced to prison for life, and later pardoned by President Roosevelt, will be seen in a picturization of their own story, under the title of "The Lady of the Dugout." The exterior scenes of this picture were photographed on the actual spots of the original outlaw battles of the wild border days of Oklahoma, Texas, and Arizona. On the same program is a Lyons-Moran comedy, and "Midbury's Mutterings," a comedy in words, on the subject of "Getting Married." Matinee at 2:30, and evening shows at 7:15 and 9:00.

The new screen favorite, Bert Lytell, who will be featured in popular comedy dramas, will be seen here on Thursday in "The Spender." This is a Saturday Evening Post story by Frederick Orin Bartlett, and it is a picture that you will certainly enjoy. On the same program is Smiling Bill Parsons in his latest comedy, "A Master of Music." Matinee at 2:30, and evening shows at 7:15 and 9:00.

Bewitching Mae Murray will appear here again on Friday, this time in her latest success, "The Scarlet Shadow."

This is a human and appealing play. Burton Holmes interesting outdoor pictures will be shown also. Matinee at 2:30. Evening shows at 7:15 and 9:00 o'clock.

"Oh You Women" will be shown a week from today, Saturday, May 17.

THE TROPICO HERALD

SILVER WEDDING

One of the most charming affairs of the week was the silver wedding celebrated by Mr. and Mrs. E. Duley, Thursday, May 8th, at the home of Mrs. Duley's daughter, Mrs. H. L. Brown, 1120 South San Fernando Boulevard.

A second ceremony was performed, and as the bride descended the stairs, beautifully gowned in silver gray satin, and carrying white lilacs, the strains of the wedding march used twenty-five years ago floated softly on the air. As the couple again plighted their love beneath a beautiful white bell, their eyes were filled with love light, and the years that had slipped away seemed but a long happy day. Mrs Harry Shuely, dressed in mauve satin, and carrying purple lilacs, attended the bride, and Mr. Harry Shuely, brother of Mrs. Duely, acted as best man.

Potted plants and ferns were used profusely in the library and spacious drawing room, and the color scheme was carried out in pink and white.

A turkey dinner was served at one o'clock, in the dining room, where the motifs and favors were also pink and white. A wedding cake was placed in the center of the bride's table, and small wedding bells were suspended from the chandeliers.

Among the guests were Mrs. Georgie McKay, of Coalinga, Mrs. Marjorie Alexandra, Mrs. H. L. Brown and Mr. Roy and Homer Perkins, the five children of Mrs. Duley by a former marriage, and eight grandchildren.

Many beautiful gifts of silver were received, but they treasure most a silver cake plate presented by the children, and a silver purse, a gift from the grandchildren.

Central W. C. T. U. received a gift of \$250 as a memorial fund from Mrs. Henrietta Chadbourne in memory of her father, Alfred Topcliffe, to be used in Loyal Temperance Legion work, under the direction of Mrs. Ellen Dayton Blair, a schoolgirl friend of Mrs. Chadbourne, and State and County L. T. L. Secretary for Southern California W. C. T. U.

Mrs. Blair has given chalk talks in nearly every State, and Canada, and the fund will be used to the best advantage by her.

having resigned on account of ill health.

Los Angeles W. C. T. U. had as speaker Thursday Dr. M. Len Hutchins, who gave a splendid address on "A Modern Medicine Chest." Dr. Hutchins is State Superintendent of Medical Temperance, and her address was well received and much enjoyed, and so interested the audience that another address was greatly desired.

The speaker for next Thursday will be Mrs. M. E. Jenkins, topic Americanization, which topic she is well qualified to speak on, being actively engaged in the work.

State W. C. T. U. convention will be held in Santa Ana the last week in May.

Los Angeles W. C. T. U. Red Cross Auxiliary held a Red Cross Luncheon on Tuesday. Covers were laid for twenty. An enjoyable hour was spent.
